Call for Curriculum Committee Members

The Ontario Art Education Association invites applications for committee members to join the Curriculum committee.

- work with the Curriculum Committee and Board to implement and update the curriculum resources on the website
- examine existing OAEA structures and practices through an equity lens and work with the board to support actionable changes to our resources, and build partnerships outside the organization
- create or find new resources and curriculum learning opportunities for the membership
- keep up to date with the Ministry of Education expectations

This call is open to interested parties with experience in curriculum writing, art education at all levels or equivalent. The OAEA values bringing varied lived experiences and perspectives to the board, especially those from historically underrepresented groups in visual art education.

If you require assistance applying for this position, obtain a copy of this call in an accessible format, or would like to discuss accessibility and accommodations during the review process, please email oaea4teachers@gmail.com.
