OAEA Regional Representative Role

Role

As a regional representative of the OAEA, you are the conduit for information, ideas, and changes as we grow as an organization. In this role, you will:

- Foster interest in membership and participation in OAEA events, conferences, and media campaigns;
- Provide the OAEA with information, links, images, and/or video of active OAEA members engaged in art making, arts advocacy, and arts education events in your area;
- Engage in information sharing and dialogue with other regional representatives, the OAEA executive, and other regional partners in arts education such as school board consultants, faculties of education, university, and college visual arts departments, and galleries and museums.
- Start a database of names of art teachers/schools with art programs in your area.

Rights

- Attend monthly hybrid board meetings, as well as, the Annual General Meeting;
- Nominate award recipients;
- Financial and promotional support for regional OAEA participation in events.
- Receive free annual membership to OAEA.

Responsibilities

- Inform members of OAEA initiatives, conferences, social media, and website activities;
- Encourage members to register for regional events, as well as for our Annual Conference;
- Encourage arts advocacy in your area;
- Encourage participation in arts-related activities in your area;
- Coordinate OAEA participation in local art events, or host your own: some financial assistance is available.

Art and Art Education in Ontario only stand to benefit from your active participation in our organization, and we thank you on behalf of the membership, students, and artists alike.
