AVI10 Exit Slip: Careers of Interest

We have come up with a list of possible arts-related careers opportunities, and we have watched short videos about some of these careers. In the space provided, list 5 careers that you found interesting. For each one, tell us what you think you would like about that career, and something you would want to know more about. Come up with a different question or idea for each.

Art-related Career:	What makes this an interesting career choice?	Something I want to know more about before considering this as a career option is:
