

**BLM # 6**

**AVI10 Collaborative/Community Art Work Proposal**

Use this form to plan for a collaborative or community artwork. There are many decisions to make, and you may wish to consult with your teacher or with organizations in the community to determine the level of interest and support for your project. There are a number of decisions to make, including: assigning roles such as key contact with community organization; what theme, image and media you wish to use; logistics such as time, materials and funding.

Team Members and roles assigned: (What types of roles do you perceive are required?)	
Proposed Collaborative Piece Location:  Will the work be done on site, or in the art room to be installed later? (Explain)	
Intended Theme or Message:	
Title:	
Medium and required materials:	
Relative cost of supplies and materials	
Proposed source of funding for supplies and materials:	
Projected Timelines for completing the work:	

Remember to submit all preliminary rough work and ideas for your composition with this proposal. Use the creative process as you imagine and generate ideas, plan and experiment. Include at least one composition idea per team member.
