AVI3M1 Grade 11: Let's Consider a Career in the Visual Arts!

1. **Group Activity:** Choosing a career in visual arts can lead you to many professions. In the space below make a list of as many visual/media art related careers your group can think of. If you need some help visit some online resources (I need help: [York University Visual Arts Careers page](http://www.yorku.ca/finearts/sas/downloads/findingyourway.pdf)). *Finding Your Way a Guide to Careers in the Arts:*

2. You may use the back of the page for extra space.

Individual Activity: Choose a career or field from the list that you can see yourself in the future; this is an individual choice. Why did you pick this field?

3. **Individual Activity:** What kind of career direction are you being encouraged to follow by your parents? your teachers? your mentors? your peers?
4. **Group Activity:** What does success in the field of your choice look like?
(Describe the kind of work a person in this field does, where they might live, their place of work, the kind of housing they live in)
5. **Exit Slip (individual):** How much would you have to make a year to live a comfortable life in this field?
6. **Exit Slip (individual):** What other goals beyond this annual salary would you need to feel successful in this field?
