

AVI4M1 The Business of Art Terminology Worksheet

(s) _____

Worksheet can be completed individually (boring and tedious?) or collaboratively as a group. (Hint - use collaborative tools such as [Google Drive](#) (formerly Google Docs) to fill out this worksheet as a team online.

Research and fill in the definition or explanation for the following terms. If you are completing this as collaborative research, please place your initials in the “by” column to identify work done by you. If you are revising or editing a definition, please initial in the “edited by” column.

Write the definition in your own words. Check your answer for accuracy with one other person.
