

Co-Created Success Criteria (Example)

- I created an interesting and original design for my collagraph that was clearly inspired by Canadian nature and Islamic art and design
- I successfully rotated my collagraph to create pattern on my tile
- I can document and explain my tile-making process
- I can explain how translations were used in my design
- I can explain how I used the elements and principles of design in my final tile
- I can reflect on my successes and see where I can grow artistically
- I used correct spelling, punctuation, grammar and spelling
