

Water Fountains and Architectural Decoration in Islamic Art – Choice Board

Respond to the guiding questions throughout this lesson in a blogpost	Create a travel brochure about the Islamic fountains and the areas from which they come	Create a Kahoot! (or similar app) quiz for your classmates on the essential learning for this lesson
Use any of the arts or a combination of the arts (dance, drama, media and/or music) to demonstrate your learning	Your Choice (following a discussion with teacher)	Write a blogpost about your visit to the Museum and what you've learned about Islamic fountains and how your learning has affected your identity and values
Film a news report about your trip to the Aga Khan. Interview some of your classmates. Include examples of fountains as art.	Write a formal essay on the artistry and function of fountains in Islamic art from ancient times to contemporary society.	Film a news report about the collaborative fountain(s) that your class has created. Be sure to talk about what you learned through the creative process.
