- Framing (eg. \$700)

What do you charge?

depends on size, # of firings, complexity. My ceramic boats sell for \$2,350. For paintings I have a scale based on size and frame. Range from \$800 - \$5,700

How much do you pay your agent or gallery?

You negotiate your rate with commercial galleries anywhere from 25-50%

Where do you sell your work?

Galleries and my own home studio for open house events. I used to do outdoor exhibitions but not anymore.

You make a living as an artist. Is it worth it?

Of course! The fact of steady pay check is hard. But I walk 10 steps to my job, doing what I love to do every day, take vacations whenever I like, and being in complete control of my career!
