

IN-PERSON WORKSHOP NOVEMBER 23

The Arts IN TORONTO

This event is aimed not only at art specialists but also at classroom teachers. You will have the opportunity to participate in all strands of the Arts.

FOCUS

What tools can we use in our classroom?

Who can we go to for help?

What organizations might be available to show us the way?

How do we peaceably care for the land and each other, through our arts teaching practices?

Non-Indigenous educators are responsible for teaching the 4 strands in the Arts curriculum and the creative process. How can we ensure this is done in a way that respects First Nations, Inuit, and Métis cultures without appropriation?

In partnership with TDSB, learn more about teaching and learning from and alongside Indigenous leaders in the 4 art strands.
